1) Convert the following fraction into a mixed number: $^{33}/_{20}$

Answer: _____

2) Convert the following fraction into a mixed number: $^{33}/_{20}$

Answer: _____

3) Convert the following fraction into a mixed number: $^{21}/_{14}$

Answer: _____

4) Convert the following fraction into a mixed number: $^{16}/_{13}$

Answer: _____

5) Convert the following fraction into a mixed number: $^{16}/_{13}$

Answer: _____

6) Convert the following fraction into a mixed number: $^{16}/_{13}$

Answer: _____

7) Convert the following fraction into a mixed number: $^{38}/_{10}$

Answer: _____

8) Convert the following fraction into a mixed number: $^{28}/_{17}$

Answer: _____

9) Convert the following fraction into a mixed number: $^{28}/_{17}$

Answer: _____

10) Convert the following fraction into a mixed number: $^{28}/_{17}$

Answer: _____

11) Convert the following fraction into a mixed number: $^{8}/_{7}$

Answer: _____

12) Convert the following fraction into a mixed number: $^{8}/_{7}$

Answer: _____

13) Convert the following fraction into a mixed number: $^{8}/_{7}$

Answer: _____

14) Convert the following fraction into a mixed number: $^{38}/_{15}$

Answer: _____

15) Convert the following fraction into a mixed number: $^{38}/_{15}$

Answer: _____

16) Convert the following fraction into a mixed number: $^{37}/_{15}$

Answer: _____

17) Convert the following fraction into a mixed number: $^{37}/_{15}$

Answer: _____

18) Convert the following fraction into a mixed number: $^{37}/_{15}$

Answer: _____

19) Convert the following fraction into a mixed number: $^{35}/_{14}$

Answer: _____

20) Convert the following fraction into a mixed number: $^{29}/_{9}$

Answer: _____

21) Convert the following fraction into a mixed number: $^{10}/_{8}$

Answer: _____

22) Convert the following fraction into a mixed number: $^{40}/_{11}$

Answer: _____

23) Convert the following fraction into a mixed number: $^{12}/_{10}$

Answer: _____

24) Convert the following fraction into a mixed number: $^{27}/_{8}$

Answer: _____

25) Convert the following fraction into a mixed number: $^{27}/_{8}$

Answer: _____

26) Convert the following fraction into a mixed number: $^{17}/_{14}$

Answer: _____

27) Convert the following fraction into a mixed number: $^{17}/_{14}$

Answer: _____

28) Convert the following fraction into a mixed number: $^{31}/_{9}$

Answer: _____

29) Convert the following fraction into a mixed number: $^{40}/_{12}$

Answer: _____

30) Convert the following fraction into a mixed number: $^{36}/_{10}$

Answer: _____

September 23, 2022

Total: ___ / 30
